To Whom It May Concern,

This is to certify that Christian Bernard Magnongui of Classical Music for Children Foundation Corporate, www.classicalmusicforchildren.org, has made the following donations to Berea SDA Academy on April 13, 2011:

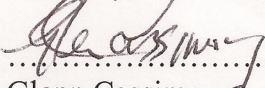

- Two hundred and fifty new books
- Thirty five recorders

In addition, Mr. Magnongui has provided training and instruction for students. This training will:

- Allow students to differentiate between good music and other types of music
- Stimulate their love for classical music
- Provide them with the skills needed to play classical instruments
- Allow them to appreciate music from composers such as Mozart, Bach, and Chopin etc.

Our school appreciates the contributions he continues to make to our students.

Sincerely,

.....
